

## BLOWN TO ATOMS BY EXPLOSION OF POWDER

Dupont Plant, Near Denver,  
Blows Up; Shock Felt Thirty  
Miles Away.

DENVER, June 20.—Luther Heckman, aged twenty-one, was killed and a number of persons shocked and bruised, though not seriously injured today by an explosion of 3000 pounds of nitroglycerine at the E. I. Dupont Denmore Powder company's works at Louviers, twenty miles south of Denver. The building containing the neutralizing plant was destroyed. The loss is estimated at \$3000. Heckman was the only man in the building in which the explosion occurred. His body was blown to atoms. Many windows in the town were broken and the shock was felt at Littleton and Fort Logan, thirteen miles distant.

The cause of the explosion is not known.

## ATTORNEY CERTAIN THAT MRS. GUNNESS LIVES

LAPORTE, Ind., June 20.—H. W. Worden, attorney for Ray Lauphere, indicted for the murder of Mrs. Gunness, her three children and Andrew Heiglein, today, in a formal statement, held the county authorities for their actions, and also made a public appeal for subscriptions for a fund to be used as a reward for the apprehension of Mrs. Gunness. After referring to the fact that Coroner Mack has officially pronounced Mrs. Gunness dead, Mr. Worden declares that Ray Lauphere's guilt or innocence does not depend upon whether Mrs. Gunness is dead or alive, but from certain evidence that has come into his possession he is convinced the woman is enjoying life and liberty.

NEW YORK, June 20.—The naked and mangled body of an unknown man was found in the Hudson river near One Hundred and Fifteenth street today. The police were unable to decide whether the man was murdered or the body mangled by passing tugs.

## THINKS AN APOLOGY IS DUE TO THE HOG

Idahoan Objects to Putting  
Pork on a Par With  
Perky.

The following communication from an old subscriber in Idaho is self-explanatory:

Editor Tribune.—I notice in The Semi-Weekly Tribune of last week two articles relative to the Twin Falls Democratic convention, in them (the Honorable) Mr. K. D. Perky is dubbed as Porky Perky. Now, I don't wish to kick or find fault, nor do I assume to be up on newspaper work, but I must say that such references are misleading, ill-advised and irrelevant, as the two parties are entirely dissimilar in all respects except as to intestinal developments. I can speak advisedly on this point, as I am acquainted with both parties (no credit claimed), but in the interest of fair play for both parties I make this statement.

Now, Mr. Hog has got some real points of merit, and to a great extent is an animal of nobility and usefulness; hence, your references and comparisons are not only misleading, but also a little insulting. I can speak advisedly on this point, as I am acquainted with both parties (no credit claimed), but in the interest of fair play for both parties I make this statement.

Unfortunately for Mr. Hog, his good qualities are not apparent or understood until he has been dead some time. So it may possibly be with Mr. Perky's good side, if any. But what is the use of spending time speculating on such vague uncertainties while we have ancient historical facts before us. Since the time of Christ the hog has been the victim of abuse and ridicule, and in those days when the evil spirit was cast out of man it found abode and an asylum in the hog. Since that time he has been unclean and discredited by every one. Now, at this late date this last indignity is heaped upon him. It seems that through all these ages it has been reserved to The Tribune to administer the finishing blow to the hog. I am sure that you, personally, like pork, but want it to come under the provisions of the pure food law—no adulterations.

Believing your article was prompted and written on the spur of the moment, I send you herewith \$1.00, for which you will please extend the subscription of The Tribune.

Mackay, Ida., June 18. H. BAXTER.

## The Knock-out Blow.

The blow which knocked out Corbet was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the ring as well as in it. We protect our throats, feet and lungs, but the stomach is utterly indifferent to, until it is found the solar plexus and knocks us out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located, whether stage 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

## QUEEN OF ACTRESSES PRAISES PE-RU-NA.

MISS JULIA MARLOWE.

Any remedy that benefits digestion strengthens the nerves. The nerve centers require nutrition. If the digestion is impaired, the nerve centers become anemic, and indigestion is the result.

Pe-ru-na is not a nerve nor a stimulant. It benefits the nerves by benefiting digestion.

Pe-ru-na frees the stomach of catarrhal congestions and normal digestion is the result.

In other words, Pe-ru-na goes to the bottom of the whole difficulty, when the disagreeable symptoms disappear.

Mrs. J. C. Jamison, 61 Marchant street, Watonsville, Cal., writes:

"I was troubled with my stomach for six years. I tried many kinds of medicine, also was treated by three doctors. They said that I had nervous dyspepsia. I was put on a liquid diet for three months.

"I procured a bottle at once and commenced taking it. I have taken several bottles and am entirely cured."

"I have gained in strength and feel like a different person. I believe Pe-ru-na is all that is claimed for it."

Nervines, such as coal tar preparations, are doing a great deal of harm. Sleep medicines and headache powders are all alike—heart depressants, and should not be used. The nerves would be all right if the digestion were good. Pe-ru-na corrects the digestion.
